

UNIVERSITY OF NORTH TEXAS AT DALLAS

NEW STUDENT ORIENTATION

Greetings Trailblazer!

As you may know, in order to fulfill your orientation requirement for this school year you must complete two things: attend a virtual orientation session and complete the online orientation modules on Teams. However, if you have been having trouble accessing the modules on Microsoft Teams, we have created another option to make this process easier. Please click on the following link:

https://drive.google.com/drive/folders/1-imJmlweYzFClq_8sAJPFjTaLJkbtckS?usp=sharing It will take you to a Google Drive folder titled "UNT Dallas Online Orientation Modules" which contains nine folders inside, each of which are modules. Accessing them using a Gmail address is preferable, but you should be able to access them using any type of email address.

To complete the modules on Google Drive, double-click on each folder to open it. You will see that each folder contains a PowerPoint and a Google Form Assessment. Click on the PowerPoint first and read/view the entire presentation, including any videos that may be embedded into it. If you are not able to watch the videos, the YouTube links have been included on the slides so you can copy and paste them onto your browser. Please note, do not select the option to view the PowerPoint as a Google Slide Presentation because this alters the presentation and makes it harder to read.

Once you have viewed the entire PowerPoint Presentation, click on the Assessment included in the form and take the short quiz about what you learned in the module. Then return to the main orientation folder and move on to the next module folder. Repeat the steps (view the PowerPoint and take the assessment) until all modules are complete.

When all modules are complete, click on the following link to an "Acknowledgement of Completion" form where you will officially signify that you have completed the modules.

<https://forms.gle/y2RpJ9C3cigESPVa7> Please do not complete this form until you have viewed and completed all nine modules.

If you have any questions or run into any issues, please send us an email at orientation@untdallas.edu so we can assist you further.

Best,

UNT Dallas Orientation Team
